Learn more and enroll. If you have lost your card and do not have access to your card please follow the instructions below to find a replacement. If you are in Canada, we do not process MoneyPak orders to replace lost or stolen Green Dot MoneyPak cards. The Company does not accept the liability for the loss of money. The MoneyPak customer service number is 1-877-217-2853, Monday-Friday, 9am-7pm PT, and Saturday 9am-4pm PT. This service is not available for orders from outside the U.S. or Canada. To receive a replacement card, please send a post-paid money order or check to the mailing address below with your name, address, and the name of the card that you lost. Be sure to put the MoneyPak reference on the money order or check. We recommend sending \$20-\$100 for a new card, depending on your card number and the name on the original card. Once you send the money, we will mail a replacement card out to you as soon as possible. We cannot expedite shipping or send out replacement cards for orders that are over \$100. From your wallet to your wrist, the Fitbit® Flex™ wrist-worn fitness tracker was designed to help you achieve more while pushing a little bit harder. Whether you're running, walking, or swimming, this fitness tracker helps you track your steps and distance while motivating you to move more and achieve more. Build A Fitbit® Flex™ Wrist-Worn Fitness Tracker With over 20 million users and a growing legion of Fitbit fans, the Fitbit Flex™ wrist-worn fitness tracker is truly an evolution in fitness. The Fitbit Flex™ is the first of its kind wrist-worn fitness tracker that tracks steps, distance, sleep, and heart rate, and can sync seamlessly with any smartphone or computer for quick connectivity. Fitbit Flex™ Features See Your Stats As You Move You have the option to connect your Fitbit Flex™ wrist-worn fitness tracker to your phone, tablet or computer using Fitbit's free apps for Android, iOS or Windows. With this fitness tracker, you can track all of your stats including steps, distance, distance and calories, sleep, and heart rate. Your friends and family can track all of the same stats and achievements. All this information is available on your personal Fitbit website as well.
